📝 **Assignment Title: "A Simple Portfolio Homepage"**
📅 **Level: Beginner**
⏱️ **Estimated Time: 2-3 hours**

🔧 **Objective:**
Ek simple single-page website design karna hai jisme ek fictional person ka portfolio ho. Isme image, layout, and responsive design ka use hona chahiye.

✅ **Requirements:**
🖼️ **1. Header Section**
- Ek horizontal nav bar banayein jisme 3 links ho: Home, About, Contact
- Use Flexbox for horizontal alignment
- Background color light blue ho

🧑 **2. About Me Section**
- Ek image lagayein (placeholder image ya khud ki photo)
- Image ke side me ek paragraph likhein "Hi, I am [Your Name], a beginner web developer. I love to learn and create websites."
- Flexbox use karke image left me aur text right me dikhayein
- Image ka size: 200x200 px

🧱 **3. Skills Section (Grid Use)**
- 4 boxes banayein (HTML, CSS, Flexbox, Grid)
- Grid layout use karke 2x2 me dikhayein
- Har box me ek icon (ya emoji) aur skill ka naam likhein
- Box ko border aur padding dein

📱 **4. Responsive Design**
- Media query lagayein:
  - o   Mobile me header links vertical ho jayein
  - o   Image and text vertically stack ho jayein
  - o   Skills section ek column me ho jaye (1x4)

📞 **5. Footer**
- Footer me likhein: "© 2025 | Made with ❤️ by [Your Name]"
- Center aligned and background gray

🔗 **Resources Allowed:**
- Placeholder image: https://via.placeholder.com/200
- Free icons ya emojis
- Only HTML and CSS (no JS)

🗂️ **Submission Format:**
- Folder name: portfolio_assignment
- Files: index.html and style.css
- Submit GitHub link

⭐ **Bonus (Optional):**
- Google Fonts ka use karein
- Hover effect nav links par lagayein
